Easter Blessings to all!

**Meet an incoming Aggie
Class of 2024**

Grant Stelmach is a class of 2020 Allen High School Senior. Grant has participated in a variety of activities and clubs, but most recently, with the Allen Robotics team and the reigning National Champion Allen Eagle Competitive Shooting team. His plan to study engineering started with the Ereckson Middle School Robotics team and became more focused on Aerospace Engineering after his Phoenix Independent Study Project last year where he designed, built and flew a remote-controlled solar powered airplane. He hopes to become an active member of the SAE AERO Design Team at TAMU.

He is excited to become a second generation Aggie by joining the Fighting Texas Aggie Class of 2024 ... and possibly help compete for another national championship with the Texas A&M Trap and Skeet team. ~ Shelley Stelmach

Aggie Angels

Do you have questions or concerns? Aggie Angels are here to help. An Aggie Angel is a sophomore, junior, senior, or alumni mom who has "been there" and is available to answer your many questions or concerns regarding your student. This is a very special group of women and in difficult times like these, we must lean on each other for encouragement.

Events are cancelled for the rest of the school year.
